Dear Frank:

I want to start by thanking you for your continued management on the Sitgreaves, Ebert, Homestead, and Davenport Lake Allotments. As requested on June 19, 2014, I am amending your Annual Operating Instructions (AOI) for the 2014 grazing year, authorizing you to utilize the Sitgreaves, Ebert, Homestead, and Davenport Lake Allotments as follows:

Allotment	Pasture	Time Frame	Number of Head
Sitgreaves	Buggy Wheel / Wade	05/01-06/14	500
Davenport Lake	Fix	06/15-06/24	250
Davenport Lake	Chalender / Box Car Hill	06/25-07/21	250
Davenport Lake	Butler	07/22-08/07	250
Sitgreaves	El Paso	08/08-09/08	500
Sitgreaves	Fues	09/09-10/04	500
Homestead	Hardy / White House / Indian / Clark	10/05-10/31	500

Please notify us of cattle movements onto and off of the allotments, as well as refinements that may be needed to enhance the management system. If you identify the need to differ from this management system by more than 14 days, please contact District range personnel at least two weeks in advance so that we have time to conduct monitoring and assess your request.

If utilization levels within portions of a scheduled pasture approach allowable use, you are required to move livestock into areas not approaching allowable use. If cattle cannot be effectively managed away from areas within the pasture that have met allowable use or if utilization objectives are met throughout the pasture prior to scheduled rotation, contact District range personnel. Cattle will then be moved into the next available pasture within the annual rotation. In the event that forage utilization objectives are met in all available pastures, livestock will be removed from the allotment. Management adjustments will be made to the following years Annual Operating Instructions to avoid recurring situations.

If you have any questions or concerns, please contact Range Staff Jesarey Barela at (928) 635-5623 or jesareybarela@fs.fed.us or Rangeland Management Specialist Cherie Owens at (928) 635-5621 or cowens02@fs.fed.us.

Sincerely,

/s/ Danelle D. Harrison
