Cycling through the Oregon Dunes

No, you won't be on a bicycle, but you will discover how the dunes were formed and their dynamic cycles through time on this 45 minute guided hike through the sand.

Meet at the Oregon Dunes Day Use Area, at mile marker 200 on Highway 101.

**A portion of this hike will be on open sand. Please wear appropriate clothing and bring water.*

Archaeology of Cape Perpetua

For thousands of years the Alsea people returned to Cape Perpetua year after year to take advantage of the plentiful resources found in the sea and the forest. Join us for a 30-45 minute guided hike this Saturday to explore their story.

Meet at the Cape Perpetua Visitor Center just south of Yachats on Highway 101.

**The hike will be on an easy, paved trail.*

SATURDAY, AUGUST 23rd

11 A.M. & 1 P.M.

Oregon Dunes Day Use Area & Cape Perpetua

Can't make it Saturday?

Guided hikes and ranger programs are also available by request on most Thursdays through Tuesdays at these sites.

for the greatest good

Nature Matters and Nature Provides, if We Find the Greatest Good by Being in Community
