**Sale of National Forest Timber**

The Forest Service intends to advertise timber designated for cutting in the following proposed stewardship contract area on the Colville National Forest prior to August 19, 2014. The Delaney Stewardship project contains 1,204 acres more or less within T32N, R42E, Sections 21,22,24,25,26, 28,33,34,35 and 36; T32N, R43E Sections 19 and 30. This project contains an estimated volume of 135,615 tons (24,560 MMBF) of saw and non-saw products designated for cutting.

This advance notice is to afford interested parties time to examine the sale area prior to official advertisement. Interested parties may obtain information and maps about the sale area from the Newport and Sullivan Lake District at 315 N Warren Ave., Newport, WA or Supervisor's Office, 765 S. Main St., Colville, WA. The final advertisement will contain minimum stumpage rates, offering provisions and other contract-related terms and procedures.
