Dear Jeff

This letter will serve as an amendment to your 2014 Annual Operating Instructions for the Little Walker C&H Allotment.

Under the AUTHORIZED USE heading the first paragraph will be struck and replaced with the following:

The authorized use will be the same as the permitted use for the 2014 grazing season. The Little Walker C&H allotment will be authorized grazed from June 16th to September 15th or until allowable use is reached in a simple rotation system. Use will begin with the Wheeler, Stockade and Sawmill units. The Cowcamp unit will be used when cattle are taken to the allotment at the beginning of the season and at the end of the season prior to shipping for sorting.

All other provisions within the Annual Operating Instructions for the 2014 grazing season will remain the same.

Should you have any questions or concerns please contact Aaron Coogan of my office at accoogan@fs.fed.us or by phone at (760) 932-5852.

Sincerely,

JEFF ULRICH
District Ranger
