

# Summer Lizard Walks Into The Fall

*2nd Saturdays in August, September and October*

Sabino Canyon Volunteer Naturalists  
Will lead lizard walks on the 2nd  
Saturday, at 8:00 a.m. in August,  
September and October.

**August 9th**  
**September 13th**  
**October 11th**

**8:00 a.m.**  
(In front of the Visitors Center)

Walks range from beginner  
to intermediate skill level.

Participants get a free poster.

Did you know?  
Sabino Canyon has the highest  
diversity of lizards(16 species )  
in the country!

Binoculars will be available.

Remember to bring your sunscreen,  
hat, camera, water, and  
sensible shoes.
