## SALIDA VIEW #95

**GENERAL INFORMATION:** Salida View Trail #95 is a pretty hike through an intermittent steam area. It begins off of Salida Connection Trail #9263 and loops back to its beginning. In just over four miles this trail showcases everything from prickly pear cactus to ponderosa pine, and from lush riparian willows and walnuts to grey-green hillsides of chaparral. There are wonderful sweeping views of the Bradshaw Mountains as the trail leaves the creek bed and gains elevation. Although this trail is nearby to the cities of Prescott and Prescott Valley it provides users with ample opportunities to find stillness and solitude.

**CAUTION:** This trail is open to hikers, horseback riders, and mountain bicyclists. Please be considerate of others—slow down and know when to yield the trail.

**ACCESS AND TRAILHEAD LOCATION:** From downtown Prescott, travel east on Hwy 69 to Walker Road. Turn right and go 1.2 miles to the sign for Lynx Creek Ruin. Turn left onto Lynx Creek Road (FR 9401) just after the sign. Travel 0.8 miles past the Day Use area, bearing right down the hill and continuing to the end of the road. There is a large improved lot with ample parking for both single vehicles and horse trailers.

To reach TR 95, take TR 9263 across Lynx Creek and just past the gate. TR 95 begins on the right.
