BUILDING INFORMATION SHEET

MCS ENVIRONMENTAL,
MOUNTAIN LABORATORIES
2104 Reserve Street
Missoula, Montana
59801
(406) 728-7755

404 North 31st Street
Suite 213
Billings, MT 59101
(406) 248-1596

Facility: Ashland R.S.
Date: 9-1-93
Building Name: Forester's Garage
Building Number: 1500
Inspector: YAM
Page:

Year of Original Construction: _____
Estimated Gross A: 570 ft
Number of Floors in this Building: 1
Occupied: No
Number of Basement Levels: N/A
Additions: N/A

Building Exterior:

Foundation: Concrete
Siding: Cement Panels
Roofing: Asphalt Shingles

Building Interior:

Framing: Wood
Flooring: Concrete
Walls: Wood
Ceilings: Wood

Heating System: None

Natural Gas: _____
Forced Air: _____
Insulation: _____
Oil: _____
Steam: _____
Electric: _____
Hot Water: _____

FUNCTIONAL AREA - BUILDING MATERIALS SUMMARY

MCS ENVIRONMENTAL,	*MOUNTAIN LABORATORIES*
2104 Reserve Street Missoula, Montana 59801 (406) 728-7755	Facility: Ashland RS Building Name: Foresters Garage Building Number: 1500 Inspector YAm Date: 9-1-93 Page:

LOCATION:	SAMPLE NUMBER:
Room 1	
Walls: exterior transite	#129 B — ~5% damage

Homogeneous Area #: 1
Homogeneous Description: TRANSITE
Quantity of Material: 960 ft
Sample Numbers & Locations: # 129 B, N. E corner
Functional Space(s):

Condition of Material:
Friable: ( ) Nonfriable: (X)

Damage:
Significant ( )
Extent several areas of damage
Localized ( ) 10 % of total area

Deterioration:
Significant ( )
Extent:
Localized (X) 10 % of total area
Apparent Cause:

Type of Suspect Material:
Surfacing: ( )
Other: (X) TRANSITE
Thermal System Insulation: ( )

Potential for Disturbance of Material:

Contact:
( ) High (accessible-public area)
(X) Moderate (accessible-side room or office)
( ) Low (visible, not readily accessible)

Vibration:
( ) High (easily sensed)
( ) Moderate (low noise or vibration)
(X) Low (no noticeable noise or vibration)

Air Erosion:
( ) High (high air flow)
(X) Moderate (noticeable air movement)
( ) Low (no noticeable air movement)

AHERA Classification:

Asbestos:
Assumed: ( )
Confirmed: (X)
No ACM: ( )

( ) Significant Damage:
(X) Damaged:
( ) Potential for Significant Damage:
( ) Potential for Damage:
