50 YEARS: A CELEBRATION OF WILDERNESS

Please join Friends of the Clearwater, Wilderness Watch, the Forest Service, and others as we celebrate and reflect on 50 years of wilderness stewardship and discuss ways to keep our National Wilderness Preservation System wild. Hear engaging speakers, join lively campfire dialogues on the future of Wilderness, listen to live music, and learn about traditional skills at the Wilderness Gateway Campground on Hwy. 12 along the Lochsa River in Idaho (Nez Perce-Clearwater National Forests). There will be activities for kids and the celebration is free and open to the public (camping fees apply). This event is part of the national celebration of the Wilderness Act's 50th Anniversary. Details coming soon.
