Plan the future of the Francis Marion

Your voice matters

We invite you to preview the new management plan for the Francis Marion National Forest.

At this meeting, learn and share information about:

- ✓ How the plan would guide future projects and activities on the forest.
- ✓ Linking people and the surrounding communities with nature.
- ✓ Desired conditions for longleaf pine, savannas, streams, rivers and wetlands.
- ✓ Managing threatened/endangered species like the red-cockaded woodpecker.

Agenda:

- ✓ Sharing information about the new plan and how it would guide future projects and activities on the forest (us).
- ✓ Refreshments and small group discussions and feedback on the new plan (you).

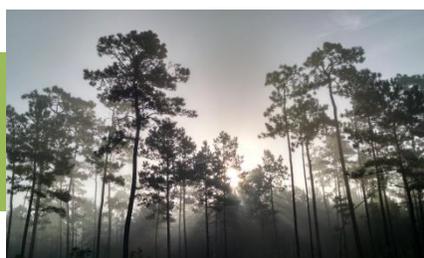

Date: Tuesday Sept. 23

Time: 9 a.m. – 2 p.m.

Where: Hilton Garden Inn, 5265 International Blvd.,
N. Charleston SC 29418
