Flathead Forest Friday Focus: Recreation Opportunities

KALISPELL, MONT. – The Flathead National Forest (FNF) has a robust recreation program which allows a wide variety of opportunities. We invite the public to join members of our recreation staff at the Night Owl/Back Room Restaurant in Columbia Falls, Montana at 7:00 AM on Friday, September 19, 2014 for a no-host breakfast and discussion of recreation opportunities on the FNF.

Forest Service employees will share information on capital investments, the current budget, partnerships and possible opportunities like livery services. We also want to hear from people about opportunities we may not have addressed.

Every other month, the Forest Service will coordinate these no-host breakfast meetings at a local restaurant with the goal of sharing good food, great company, and a little information about what's happening on our National Forest. We hope the event will be a great way to discuss public land management opportunities and challenges that are important to us all.

If you plan to attend or have any questions, please notify Public Affairs Officer Wade Muehlhof at ewmuehlhof@fs.fed.us or (406) 758-5252. Your response allows us to plan accordingly with the restaurant.
