Re: Timber Sales Schedules

Enclosed are our Timber Sales Schedules for October 2014 thru September 2015. These schedules show the planned timber sales on each Ranger District on the National Forests in Texas. The schedules are separated into two periods. The schedules for the first six months are firmer than the schedules for the next six months.

If you have any questions, please contact the following Ranger District offices for more information about their scheduled timber sales:

<u>National Forest</u>	<u>Ranger District</u>	<u>Office Contact</u>	<u>Phone Number</u>
Angelina/Sabine	Angelina/Sabine	Lanton Chumley	(936) 897-1068
Davy Crockett	Davy Crockett	Brian Townsend	(936) 655-2299, Ext. 240
Sam Houston	Sam Houston	Bob Allen	(936) 344-6205, Ext. 6233

Our timber sales may still require specified or prehaul road work. Please remember, no credit is earned to compensate for the costs of such road work or engineering services deposits. Instead, the appraised value will be adjusted to reflect these cost estimates. Bids must reflect the costs of specified or prehaul road work and engineering services deposits.

In addition, we will continue offering timber contracts using stewardship authority. As in previous contracts, the value of timber will be exchanged for required service projects. Best Value Contracting will remain the method of technical proposal review and award.

Sincerely,

*Paul J. Dufour*
