Dear Mr. Faust:

I received your August 29, 2014, letter withdrawing your appeal dated July 25, 2014. You were appealing the decision by Forest Supervisor Kelly Russell approving Travel Management on the Gila National Forest (Appeal #14-03-00-0150-A215).

I am pleased that you and the Forest staff were able to resolve your appeal without administrative review; accordingly, your appeal is dismissed.

This constitutes the final administrative determination of the United States Department of Agriculture under 36 CFR 215.18(c).

Sincerely,

/s/ Gilbert Zepeda

I wrote a letter on July 25th to object to the designation of road #701 on the Glenwood Ranger District as closed. I have since met with Debbie Cress, Glenwood District Ranger. She has spoken to Kelly Russell and they agree that there is a need to maintain designation of the road as administrative use for the mine claimants.

Therefore, I am submitting notice to withdraw my appeal regarding the closure of Forest Road # 701, pending designation of the road for administrative use. I thank you for your time and concern with this issue.

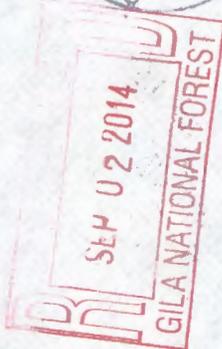

Sincerely,

JOSEPH E. FAUST
