Caution

WATERSHED RESTORATION WORK IN PROGRESS

- Hiking and mountain biking is limited to open areas as shown on map
- Motorized travel on designated forest roads only
- Parking allowed only in designated and signed parking areas
- Portions of the Waldo Canyon Burn Area remain closed to entry to aid with watershed recovery.
- Within open areas, avoid re-seeded and new tree planting areas as well as other erosion control features
- It is important that visitors obey closure signs for their own safety and the safety of the crews conducting ongoing restoration work

• VIOLATIONS PUNISHABLE BY LAW

THANK YOU FOR YOUR COOPERATION
