Christmas Tree Tags Available For Kaibab Plateau Nov. 20

FREDONIA, Ariz. – Christmas tree-cutting tags for the North Kaibab Ranger District of the Kaibab National Forest will go on sale Nov. 20, and trees may cut as soon as a tag has been purchased.

Tags cost \$15 with a limit of one tree per household, and can be purchased at the North Kaibab Ranger District office in Fredonia or by mail. **Christmas tree tags will not be sold at the Kaibab Plateau Visitor Center this year.**

The North Kaibab Ranger District office is open from 8 a.m. to 4:30 p.m. Monday through Friday. The office will also be open from 8 a.m. to 2 p.m. on the following select weekend days: Nov. 29, Dec. 6, and Dec. 13. Cash, check or credit card will be accepted.

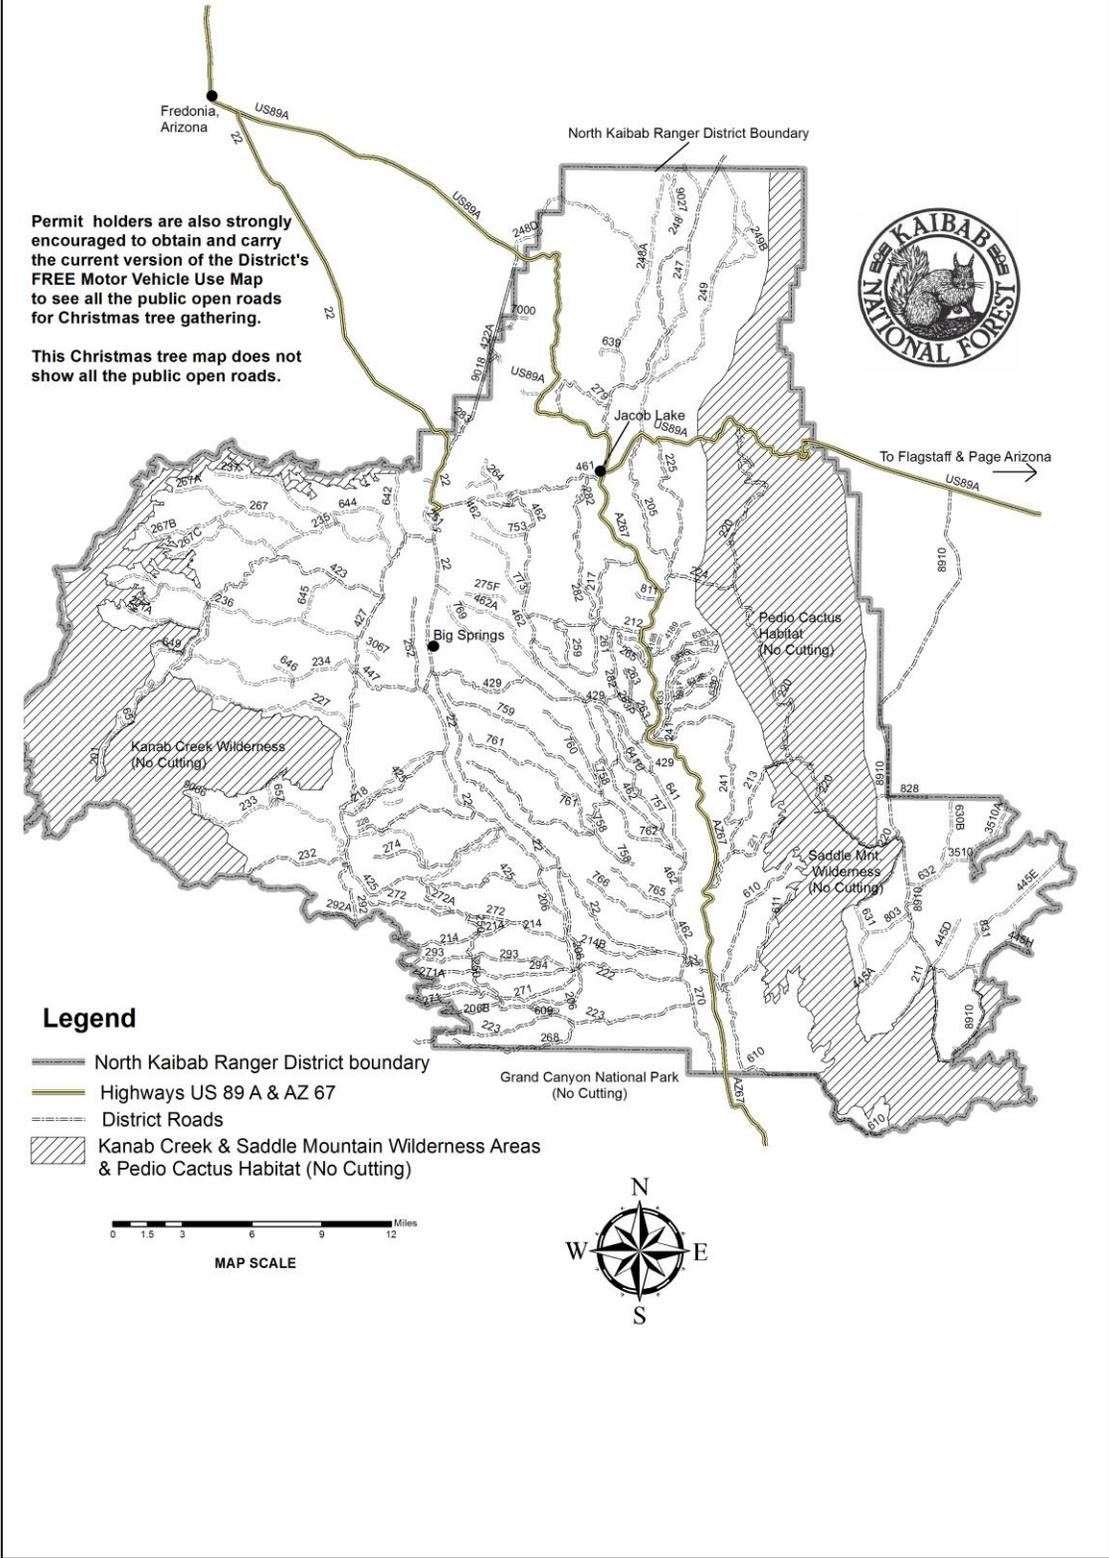

Mail requests for Christmas tree tags should include the customer's name, \$15 and a self-addressed stamped envelope. Please do not mail cash. Address mail requests to: Christmas Tree Coordinator, North Kaibab Ranger District, P.O. Box 248 / 430 South Main Street, Fredonia, Arizona 86022. Expect at least 7 days to receive a permit by mail.

Customers will receive a map that shows what areas are authorized for cutting. Tree species available include: Blue and Engelmann spruce, Douglas fir, Subalpine and White fir, Pinyon and Ponderosa pine, and Utah and Rocky Mountain juniper.

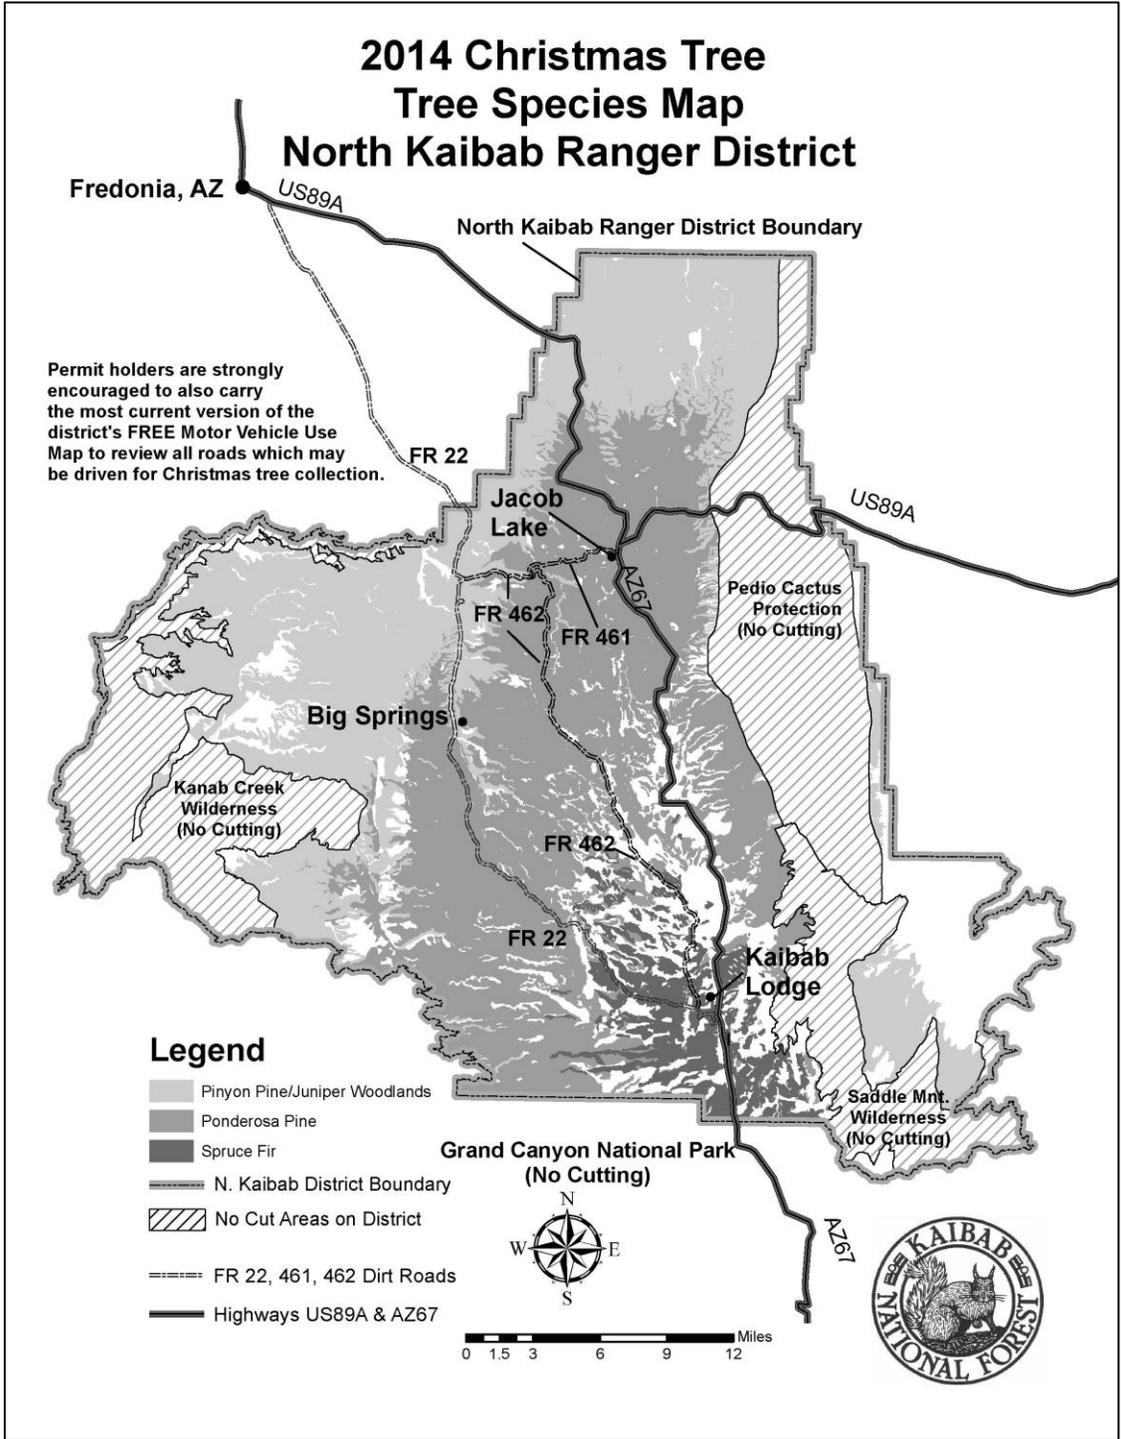

Please be advised that the Arizona Department of Transportation typically closes the winter gate on Highway 67 at Jacob Lake in early December; however, the exact date has not been announced. **For the most current information about highway closures and restrictions statewide, visit ADOT's Travel Information Site at az511.gov, follow us on Twitter (@ArizonaDOT) or call 5-1-1.** Visitors can access cutting areas via forest roads, and are urged to monitor weather conditions as most roads on the district are not paved.

For more information, please contact the North Kaibab Ranger District at (928) 643-7395.
