These web-based applications provide individuals interested in employment opportunities with the Forest Service to apply for jobs.

Log into USAJOBS to create an account as well as an applicant profile.

These positions require experience in structural or wildland firefighting; AND these positions require no less than a total of three months (90 days) of structural or on-the-line wildland firefighting experience gained through containment, control, suppression.

WORK CAPACITY TEST (WCT) for Wildland Firefighters: These positions participate in wildland firefighting activities. Based on the type of work performed, TAKING and PASSING the WCT at the ARDUOUS level is a "condition of employment." The Arduous fitness (Pack) test consists of a three (3) mile hike, within forty-five (45) minutes, while carrying a forty-five (45) pound pack. You are strongly encouraged to consult with your physician and begin training immediately if you are applying for these positions. This announcement constitutes the required 30 days advanced notice for testing requirements.
