

Boise National Forest **OUTREACH NOTICE - Non-FIRE Jobs**

Vacancy positions are available in: Boise, Garden Valley, Mountain Home, Idaho City, Emmett, Cascade, and Lowman, Idaho

Applications are accepted only through [USAJOBS](#) once the announcement numbers posted.

**Applicants are encouraged to update their profiles and resumes within USAJOBS every 60 days to ensure their application remains active.
Idaho City, Garden Valley, Emmett, Cascade and Lowman, Idaho**

The Boise National Forest is filling **TEMPORARY SEASONAL** non-fire positions not to exceed 1039 hours (approximately 6 months). Positions available include recreation work such as with trail crews or at campgrounds; as biological technicians to assist with wildlife, fisheries or ecology surveys or other activities; as forestry technicians to do timber marking or planting; as range technicians to deal with noxious weeds; as archaeological technicians to assist with cultural resources projects; as equipment operators doing road work; or as visitor information receptionists.

Applicants must apply to specific Forest vacancy announcements which are posted at [USAJOBS](#) on an intermittent basis as they become open for application. **The vacancy announcement numbers must be posted before applications can be made.** Most announcements will only be open for a very limited time, so frequent checking of the USAJOB site is encouraged. Vacancy announcements with the opening and closing may be viewed on the Forest Service Outreach Database <https://fsoutreach.gdcii.com/Outreach>

Applicants can establish a personal profile on USAJOBS and are encouraged to do that before jobs are posted. Job updates can also be requested at any time. Be sure to indicate the duty location, (i.e., the city) as the location for consideration when applying. In some cases a duty station may be in a remote location, different from the city. Applicants are encouraged to update their profiles and resumes every 60 days to ensure their application remains active within USAJOBS.

Most positions start in late May and last through September (end date exceptions are often made for students) based on budgets. Some positions will have shorter employment periods. Virtually all of the positions require physical exertion in rough terrain. The work is performed outdoors in all weather conditions including summer heat, rain or even snow. Housing may be available at remote duty stations.

The announcement numbers shown will be posted at USAJOBS on an intermittent basis as they become open for application. Once posted, an application can be made. The numbers must be posted on USAJOBS before applications can be made.

For specific information pertaining to the job vacancies, please e-mail contacts listed for positions:

HOW TO APPLY: go to [USAJOBS](#)

Step 1—Create a USAJOBS account (if you do not already have one). It is recommended that as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, you will need to log into your USAJOBS account to check on the status of your application.

Step 2 — Create a resume with USAJOBS or upload a resume into your USAJOBS account profile. You may want to customize your resume to ensure it accurately depicts your duties and accomplishments as they pertain to the position for which you're applying. Include accurate information about the length of time you performed such duties as it is a key factor in determining whether or not you qualify for a specific grade. In addition, your resume must support your responses to the online questionnaire (you may preview the online questionnaire by clicking on the link at the end of the "How You Will Be Evaluated" section of the job announcement).

Step 3 — Search for the job announcement number or simply click on the provided hyperlink. Please read the entire announcement and all the instructions before you begin. Click "Apply Online" and follow the prompts to complete the "Occupational Questionnaire" and attach any additional documents that may be required. Make sure you select the duty location for the job.

You may update your application or documents anytime while the announcement is open. Simply log into your USA-JOBS account and click on "Application Status." Click on the position title, and then select "Update Application" to continue.

Mountain Home, Idaho

The Mountain Home Ranger District office is located in Mountain Home, ID, approximately 45 miles east of Boise along Interstate 84. Mountain Home is a full-service community supporting outlying areas and the Mountain Home Air Force Base. Summer and fall months are typically warm and dry, with daily highs averaging between 85 to 95 degrees, and nightly lows from 40 to 55 degrees. The climate in the winter is typical of the high desert, with low temperatures averaging between 20 and 30 degrees with occasional sub-zero overnight readings.

Idaho City, Idaho

Located 40 miles to the east of Boise, Idaho City is a quaint, historic mountain community of approximately 400. Idaho City is the county seat of Boise County with tourism and timber as the primary industries. Idaho City is not a full service community, but does offer the following services on a year round basis: one small grocery store and many small shops along Main Street with preserved historic buildings from the mining era of the 1860's. Boise offers the services and amenities of the largest city in Idaho. Many District employees commute from Boise daily. The population of Boise is approximately 170,000, with an additional 230,000 in the surrounding metropolitan area. An international airport, shopping, colleges, and universities, and a variety of cultural and sporting events are readily accessible and available.

Cascade, Idaho

The Cascade Ranger District is the northernmost District on the Boise National Forest. Encompassing over 400,000 acres, the District offers a diverse resource management program including recreation, wildlife, fisheries, forest and range management, and watershed management. The small town of Cascade is nestled in the mountains of central Idaho approximately 75 miles north of Boise on Highway 55. It is located in Long Valley between the North Fork of the Payette River (known for its world-class kayaking) and Cascade Lake (one of the top fisheries in Idaho). The Cascade Ranger District offers abundant and diverse year-round outdoor sports and recreation opportunities. Duty stations may include Cascade Ranger Station or a remote station at Landmark 25 miles east of Cascade.

Lowman, Idaho

Located 75 miles north of the Idaho state capital in Boise, is a small mountain community that has grown up along 12 miles of the South Fork of the Payette River. Duty stations may include the ranger district office or a remote station at Elk Creek in Bear Valley. Recreation opportunities abound. Depending on the season, you may camp, hike, ride for miles on horseback, bike, motorcycle, or ATV on beautiful trails; fish, hunt, cross-country ski, or snowmobile. The South Fork of the Payette River is considered one of the premier kayaking and rafting waters in the country and the district shares borders with both the Sawtooth SNRA and the Frank Church River of No return Wilderness. After a hard day of work or play there are numerous hot springs to soak in. Approximately 200 year round residents live in the community and the summer population swells with visitors.

Emmett, Idaho

Emmett, Idaho is a full service community located in Southwest Idaho along the Payette River at the junction of Idaho Highways 16 and 52. The city has a population of about 5,500 and is the seat of Gem County (population 16,000). Duty stations may include the Emmett District Office or the Garden Valley Ranger Station. Smaller towns nearby in Gem County are Letha, Sweet and Ola. Boise, in Ada County, is about 35 miles southeast of Emmett. Emmett sits at 2,373 feet in elevation and enjoys a four-season climate. Average July maximum temperature is 95 F, and January's average low is 16 F. Average annual precipitation is 13.26 inches. The elevation of Gem county ranges from 2,260 feet to 7,865 feet, with cooler summers and snowy winter weather at the higher elevations. Some rentals are available in Emmett. The real estate market offers older and newer homes for sale as well as vacant land from city size lots to large acreages available. A full range of housing choices is also available in the Greater Boise area.

Garden Valley, Idaho

Garden Valley is a valley nestled between the confluence of the Middle Fork Payette River and South Fork Payette River surrounded by mountains covered with pine, fir, aspen, alder and other varieties of trees and shrubs. The valley has two small settlements, Crouch and Garden Valley. The entire population of the area is approximately 2000. The elevation is approximately 3,800 feet, there are four distinct seasons. It is 52 miles from Boise (Idaho's capital) an approximate one hour drive on two lane paved highway.

There is a medical clinic with a full time Physician to handle most checkups, minor injuries or illness. In case of emergency, there is a life flight helicopter pad at the clinic and ambulance service as well. The school covers grades kindergarten through 12 and a preschool for special education programs. There are two mercantile stores that carry food items, camping, fishing and hunting supplies, a hardware store, several restaurants, and a post office. There is a credit union in GV. Government housing may be available.
