National Forest Seasonal Road Closure Reminder

*

UNICOI, TN – December 2, 2014 ... In early September US Forest Service officials at the Cherokee National Forest announced the annual schedule for opening and closing certain roads through May 11, 2015. Forest Service officials offer a reminder that some roads will be closed December 15, 2014 as scheduled. These roads are located in the northern portion of the Cherokee National Forest (Cherokee Wildlife Management Area) in Cocke, Greene, Washington, Unicoi, Carter, Sullivan and Johnson counties.

Certain roads in the Cherokee National Forest are systematically closed to motorized vehicle use to help protect wildlife habitat, decrease wildlife disturbance and reduce road maintenance costs. However, some of these roads are temporarily opened for short periods to provide seasonal public access for various uses including fall color viewing, hunting, and other uses.

For additional information, contact the following Forest Service offices: Unaka Ranger Station, Greeneville, TN – Phone: 423-638-4109; Watauga Ranger Station, Unicoi, TN - Phone: 423-735-1500.

For information regarding hunting seasons and regulations, contact the Tennessee Wildlife Resources Agency Region IV, Morristown, TN- Phone: 1-800-332-0900.
