PURPOSE AND CONTENTS OF THIS MAP

This map shows the locations for special use permits and open areas of use on National Forest System lands. This map depicts the location of roads, trails, and areas that may be used for over snow vehicle use. This map uses a combination of colors to depict different types of roads, trails, and areas. It is intended to provide information for snowmobile users and other recreationists.

OPERATOR RESPONSIBILITIES

Operating a motorized vehicle or snowmobile on National Forest System roads, National Forest System trails, or on National Forest System lands is subject to the following rules and regulations:

1. Snowmobiles and motorized vehicles are subject to the laws and regulations of the State in which they operate.
2. Snowmobiles and motorized vehicles are subject to the laws and regulations of the United States, as applicable to the use of such vehicles on National Forest System lands.
3. Snowmobiles and motorized vehicles are subject to the rules and regulations of the United States Forest Service, as applicable to the use of such vehicles on National Forest System lands.
4. Snowmobiles and motorized vehicles are subject to the rules and regulations of the State of Montana, as applicable to the use of such vehicles on National Forest System lands.

EXPLANATION OF LEGEND ITEMS
