Grove Boat-In Campground, located on London Ranger District, is accessible by boat from Laurel River Lake or by trail from Grove Campground. The campground sits at the end of two peninsulas separated by a small bay. Most campsites are near the water’s edge with boat moorings near each site. The sites are spaced apart and provide a sense of seclusion.

Each site has a tent pad, fire ring, picnic table, and lantern poles. Self-serve pay stations, water, and vault toilets are centrally located. There are no flush toilets or showers.
