Turkey Foot Campground, located on London District, is nestled along the banks of War Fork Creek in Jackson County. The creek is stocked with trout throughout the year, and fishing from the bank is popular. A playfield with a horseshoe pit is located in the picnic area alongside the creek. All of the campsites are wooded, and some hillside sites will have steps leading up to them. Each site is equipped with picnic table, fire ring, tent pad, and lantern pole. There is no water, electric or dump station available in the campground. All of the sites are within easy walking distance of the creek. Trails nearby include Sheltowee Trace National Recreation Trail #100 and Turkey Foot Loop Trail System #303.
