Turkey Foot Campground, located on London District, is nestled along the banks of War Fork Creek in Jackson County. The creek is stocked with trout throughout the year, and fishing from the bank is popular. A playfield with a horseshoe pit is located in the picnic area alongside the creek.

All of the campsites are wooded, and some hillside sites will have steps leading up to them. Each site is equipped with picnic table, fire ring, tent pad, and lantern pole. There is no water, electricity or trash bins. Plan on packing out your trash. All of the sites are within easy walking distance of the creek.

- The gravel road into the campground is quite steep and may be unsuitable for campers towing large trailers, or passenger cars with very low clearance.
- Campfires are permitted in fire rings only. Make sure fires are completely out at night or when leaving your campsite.
- Reduce food odors that attract bears by packing out all your food garbage and trash.

Trails nearby include Sheltowee Trace Trail #100 and Turkey Foot Loop Trail System #303.
