

**Francis Marion National Forest Plan Revision
Initial Scenery Input Form**

Email completed form to: fmplanrevision@fs.fed.us

Or mail hardcopy to: FM Planning Team, 4931 Broad River Road, Columbia SC 20212

All travel ways, use areas and water bodies have been assigned a draft concern level, please look at the map posted on our website (<http://www.fs.usda.gov/scnfs>) to see the initial concern level. If there are suggestions for changes or additions, fill in below. (Please be specific on the locations, including starting and stopping points.)

Please consider (travel way, use area, water body) in the scenic inventory:

I suggest the **concern level** should be: CL1____ CL2____ CL3____

Please consider (travel way, use area, water body) in the scenic inventory:

I suggest the **concern level** should be: CL1____ CL2____ CL3____

Please consider (travel way, use area, water body) in the scenic inventory:

I suggest the **concern level** should be: CL1____ CL2____ CL3____

Please consider (travel way, use area, water body) in the scenic inventory:

I suggest the **concern level** should be: CL1____ CL2____ CL3____

Please consider (travel way, use area, water body) in the scenic inventory:

I suggest the **concern level** should be: CL1____ CL2____ CL3____
