ELKS GROUP CAMPGROUND

Elks Picnic/Campground

PERFECT FOR LARGE GROUP EVENTS

- Elks Group Picnic Ground is located west of AZ87 (MP309.9), approximately 30 miles SW of Winslow and 60 miles NE of Payson. The elevation at this campground is approximately 6,500 feet. It is situated in an area of the Coconino National Forest where the terrain begins to fade from ponderosa pines into pinyon/juniper stands. This campground facility was designed and constructed by the Winslow Elks Lodge and generously donated to the Mogollon Rim Ranger District.
- **Specifics:** This is a fenced 6-1/2 acre secluded camp site. Picnic tables/benches, a horseshoe court, and a small swing set, poles for volleyball net and a Flag Pole. The site can accommodate up to 300+ people. Potable water buffalo and Trash Service provided. There are vault toilets, but for every 25 people after the first 50, the group will need to provide additional toilet facilities; i.e. port-a-pots, self contained camp trailer, etc.
