Welcome to Cave Run Lake, an 8,270-acre lake nestled in the beautiful mountains of eastern Kentucky. Built for flood protection by the U.S. Army Corps of Engineers, this lake provides flood protection to the lower Licking River valley. In addition to flood control, Cave Run Lake supplies water to area communities, improves water flow conditions on the Licking River, and offers habitat for many species of fish and wildlife.

Cave Run Lake is located within the scenic Eastern Highlands region of Kentucky in Bath, Rowan, Morgan, and Menifee counties.

**Rules and Regulations**

Please pack out all target trash including shotgun shells, fragmented clay pigeons, or any targets. Do not shoot household appliances and other objects dumped in shooting areas.

- Skeet, trap and sporting clays are prohibited.
- Paper targets only. Pack out your targets.
- Fully automatic weapons are prohibited.
- Do not enter or use the area for any purpose other than target shooting.
- Do not fire while persons are down range.
- Do not enter the area behind the backstop, which has been designated as a safety zone by the placement of “Entry Prohibited” signs.

**Safety Tips**

ALWAYS keep the gun pointed in a safe direction.
ALWAYS keep your finger off the trigger until ready to shoot.
ALWAYS keep the gun unloaded until ready to use.
