Trail etiquette is an important part of keeping our trails fun and safe for all users. Remember to:

**Share the Trail**

- Respect other users, expect other users.
- Be friendly and courteous.
- Bicyclists yield to runners, hikers, and horses.
- Bicyclists should step to allow horses to pass safely.
- Downhill traffic yields to uphill traffic. When in doubt, yield.
- Warn people when you are planning to pass.
- Bicyclists anticipate other trail users around corners and control your speed.
- Ride within your ability at all times.
- Riding with headphones is dangerous; avoid their use.

*These two trails are within Granite Mountain Wilderness. Mechanized and motorized equipment are not allowed in wilderness areas. Enjoy these areas by horseback or on foot only—no bicycles are allowed.
Access
From downtown Prescott, take Whitipple Street to Iron Springs Road. Continue on Iron Springs Road for 3.5 miles and then make a right on FR 374, Granite Basin Road. Continue on Granite Basin Road for about 3 miles into Granite Basin.

Use Fees
Recreation fees are authorized under the Federal Lands Recreation Enhancement Act of 2004, and are used to maintain and improve facilities and services in this area.

Day-use permits allow use of all Prescott National Forest (PNF) day-use sites on the date purchased only. Self-serve pay stations require payment by check or cash in the exact amount; change is not available. Parking at Lynx Store and Marina is for customers only.

Long-term PNF Ranger National Forest passes and America the Beautiful annual/lifetime passes are available at all PNF ranger stations or online.

No fees are charged for visitors arriving on foot or bicycle. Wednesdays are always fee-free.

Boating
Electric motors, oars, paddle, or sail-powered boats are permitted on Granite Basin Lake.

Fishing
A valid fishing or combination license is required for resident and non-resident anglers 10 years of age or older fishing any public accessible water in Arizona.

Swimming
Swimming is allowed, but there is no designated swimming area and no lifeguard on duty. Visitors are asked to use caution due to presence of fish hooks, and to not impede boat traffic at the boat-ramp.

Trails
Several miles of trails are open to horses, hikers and bicyclists in Granite Basin. There are no motorized trails in the Granite Basin Recreation Area.
