Due by Close of Business April 30, 2015

We, _____ submit the following bid.

Sumac Timber Creek Sale \$ _____ Lump Sum (Min. bid = \$105,603.00).

Termination date is December 31, 2016.

Timber Removal Specifications are included in Appendix F.

Road Reconstruction \$ _____. This is cost reimbursable item and the successful bidder will receive the bid amount toward the purchase timber sale payment unit (s).

The bidder must submit a plan of operations for the road reconstruction providing the name of licensed road contractor and schedule of work. General road information is provided in the Road Reconstruction Specifications, Item (E.1).

We, _____ understand that in addition to the timber bid, the following work items and associated costs are included in the bid. Each item is described in the timber information packet Appendix F and Road Maintenance Specifications Item (E.2)

- 1) Purchaser Road Maintenance – during haul, and post haul
- 2) Erosion control
- 3) Slash Disposal
- 4) Temporary Roads

Appendices F and E (items 1&2) can be accessed via the internet through the following link: <http://www.fs.usda.gov/goto/conf/timbersales>

SUMAC_~1.PDF

Hard copies of the documents can be obtained by contacting Danny Skojac at the Forest Service Office in Chatsworth, Georgia.
Phone number (706) 605-6736 ext. 104.

We understand that the successful timber bidder will be required to provide a Performance Bond of 10% of the bid and a 10% bid deposit. The performance bond and deposits will be required in conjunction with the award and prior to beginning operations. Advanced payment for the timber will be on a payment unit basis.

The successful bidder will also be required to carry Worker's Compensation at the level required by law and general public liability insurance, including automobile liability, in the amount of no less than \$1,000,000 with a \$2,000,000 aggregate. A certificate of insurance will be required which names The Nature Conservancy as certificate holder.

The successful bidder will be required to enter into a contract with The Nature Conservancy.

Additional information can be obtained by contacting Dave Wilson at the number above or Danny Skojac.

If awarded the timber contract we will start operations by _____ and plan to finish by _____.
