2015 Williams Ranger District Free Use Fuelwood Map

Cutting Season: April 13th - December 31st, 2015

Unit 5F: The unit lies 8 miles south of Williams and can be accessed from CR 73 (Perkinsville Rd.). Turn left (east) onto FR110. Continue for 0.3 miles, turn left onto the Utility Line Rd located just after the posted Fuelwood Sign.

Unit Detail: Available wood is composed of medium sized Ponderosa Pine, cut during the fall of 2013.

Accessibility: Medium clearance vehicles recommended within unit. Wood is available immediately to the left once entering the unit. Cross-country travel is PERMITTED within the Unit 5F Boundary with a valid fuelwood permit.

Fuelwood Gathering from Within the Designated Free Use Area Requires a Free Use Fuelwood Permit and must be in Possession at the Time of Cutting.

The Free Use Permit is for the Collection of Dead and Downed Wood from within the Designated Free Use Area Only. Standing Dead Wood May Only Be Cut With A Paid Personal Use Permit.

Please avoid cutting across and entering the unit directly from FR110. Within this area cross country travel is PROHIBITED due to sensitive soils.
