

**2015 Grazing Rotation Schedule for:**

**Henderson/West Muddy C&H #806**

The actual season will be dependent on conditions on the ground due to current weather, range inspections and previous year grazing impacts.

<b>Allotment – Unit:</b>	<b>Dates:</b>	<b>Days:</b>
Beef Pasture	06/13 – 06/15	3
North Pasture	06/16 – 07/03	18
East Hayrack Park**	07/04 – 07/24	21
West Hayrack Park**	07/25 – 08/14	21
Lower Dyke Creek	08/15 – 08/21	7
Upper Dyke Creek	08/22 – 08/27	6
The Parks (Fawn, Little Elk, Gov.)	08/28 – 09/23	27
Special Use	09/24 – 09/25	2
Ranger Hill	09/26 – 09/29	4
South Pasture	09/30 – 10/14	15
SG Private Land*	10/15-10/18	4

\*Note that the early turn-out reflects the Henderson/West Muddy pool leasing the SG's private land –HES 258. This use includes the fenced-in adjacent national forest and is authorized as private land use.

\*\*Use riding and salting to split Hayrack Park (West side 20 days, East side 20 days), some livestock may drift between these units. However, the majority of the herd needs to be in the designated area during the time scheduled.

**This grazing rotation is intended to be flexible. Actual move dates are approximate and will depend on soil moisture conditions, forage utilization and/or plant regrowth.**
