Tally Lake Ranger District Schedules Public Meeting

KALISPELL, MONTANA – April 10, 2015 – The Tally Lake Ranger District invites the community to a public meeting on the development of the Radnor Resource Management Project, located northwest of Olney, MT along the northern border of the ranger district. The meeting is scheduled for Thursday, April 16 from 5:30pm to 7:30pm at the Tally Lake Ranger Station, 650 Wolfpack Way in Kalispell.

The meeting will include a presentation on Section 603 of the Healthy Forests Restoration Act, a review and update of the project area and the purpose and need for the project. A discussion on the previous proposed action and the comments received, plus the process for developing a new proposed action, will also be covered at the meeting.

For more information on the project or the meeting, contact Project Leader Tami MacKenzie, at 406/758-5204.
