Swan Lake Boat Ramp Repaired-Open for Use

KALISPELL, MONTANA – April 15, 2015 – The boat ramp at the Swan Lake Day Use Site on the Swan Lake Ranger District, is open for public use. Repairs to the damaged ramp were completed on Thursday. Five damaged concrete planks on the ramp's upper section were removed and replaced. Damage to the ramp was discovered last week. Ice and wave action over the winter moved the planks, making the ramp unusable for boat launching.

For more information, contact the Swan Lake Ranger District, 406/837-7500.
