Mr. Kevin Mueller  
WildEarth Guardians  
1817 So. Main, Suite 10  
Salt Lake City, UT 84115

Dear Mr. Mueller:

On January 20, 2015, you filed an objection on behalf of WildEarth Guardians to the Four Forest Restoration Initiative (4FRI) Final Environmental Impact Statement (FEIS) and Draft Record of Decision (DROD) released by the Forest Supervisors of the Coconino and Kaibab National Forests, Earl Stewart and Mike Williams, respectively.

As a result of the numerous objection resolution meetings, WildEarth Guardians and the Forest Supervisors were able to reach an agreement to resolve your issues. On April 10, 2015, an Objection Resolution Agreement documenting specific clarifications and modifications to be made to the project documentation was signed by you on behalf of WildEarth Guardians, and the Forest Supervisors. The resolution included an agreement by WildEarth Guardians to withdraw their objection. You formally withdrew your objection by letter on April 10, 2015.

In accordance with the regulation at 36 CFR 218(a)(6), I am setting aside your objection from further review.

I truly appreciate the extraordinary amount of time and effort invested by you and Bryan Bird. The open, candid discussions allowed us to focus on those areas where we were able to come to some resolution on the issues raised in your objection. Your input and participation have been extremely valuable in helping the agency make a more informed decision.

Sincerely,

CALVIN N. JOYNER  
Regional Forester
