Personal Use Post & Pole and Misc. Convertibles

Areas for Personal Use Post & Pole and Misc. Convertibles are available on a limited basis. **Contact the nearest [Forest office](#) for more information.**

This program provides people the opportunity to cut and haul post & pole and misc. convertible materials for their own personal use, whether it's for building corrals, fences, or using them to landscape the yard. Maps of the post and pole areas are provided with the permit.

The permit allows the removal of up to 200 posts and/or poles per year from over the counter post/pole permits. You may mix any combination of post and pole amounts as long as the minimum permit is \$20 and you do not exceed the maximum 200 posts and/or poles per individual (Persons of 18 years of age or older will be considered as an individual).

A permit and load tickets are required. A post and pole cutting permit and load tickets are required to cut, gather and transport post and poles on Public Lands. Post and pole permits become valid from time of purchase until December 31 of the year purchased. [These are not Firewood permit load tickets.](#)
