

## Ninemile Wildlife Opening Prescribed Fire East Zone

SUPERIOR NATIONAL FOREST

April 28, 2015

**Objectives:** Maintain grass/forb/shrub habitats for wildlife species and ecosystem diversity. Reduce brush and aspen encroachment into openings and reduce fine fuels.

**Project Description:** 40 acres located in T59N, R6W, sections 24 & 13. Surrounding forest dominated by hardwoods with conifers along eastern side.

**Fire Management Resources:** Fire crew utilizing all-terrain vehicles with water tanks, and bladder bags. Additional resources available as needed.

**Local Unit:** Tofte Ranger District 218-663-8060
