Your recreation fee proposals are approved. You may now implement your new fee at the two group picnic sites at the Spring Mountains Visitor Information Center. Please make sure the proper public notifications are done as you implement these fees. When adding these sites to the reservation system, include six good photos of each recreation site.

Thank you for your professionalism in documenting your public participation and for your presentation of these proposals to the Nevada Bureau of Land Management Recreation Resource Advisory Committee. Congratulations on the success of your proposals.

For further information or questions, please contact Chris Hartman, Director of Recreation, Heritage and Wilderness Resources, at 801-625-5164 or chartman01@fs.fed.us.
