Dear Interested Citizen:

This project announcement letter serves to inform the public, any interested parties, and Forest permittees of the Paradise and Watson Creeks Large Woody Debris Restoration Project, as authorized through the 2012 Fremont-Winema National Forest Programmatic Restoration Project Decision Notice (Programmatic DN). The project need and description is enclosed. This will be the only written communication provided for this project. Information about this project can also be found on our website at <http://www.fs.usda.gov/goto/frewin/programmaticrestoration>. We will consider your comments in deciding if it is appropriate to implement the proposed project under the Programmatic DN, or if it requires its own National Environmental Policy Act (NEPA) process. We will also consider if the proposed project should be modified, based on comments received.

Comments on this proposal should be received by June 15, 2015. You may comment:

- In person 8:00 a.m. to 4:30 p.m., Monday-Friday at either the Silver Lake or Paisley Ranger District office.
- By email to [comments-pacificnorthwest-fremont-paisley@fs.fed.us](mailto:comments-pacificnorthwest-fremont-paisley@fs.fed.us).
- By mail to Rich Pyzik, Fisheries Biologist, PO Box 67, Paisley, OR 97638.
