

2015 Grazing Rotation Schedule for:

Mule Park C&H #812

The actual season will be dependent on conditions on the ground due to current weather, range inspections and previous year grazing impacts.

Pasture:	Days:	Dates:
South Unit	20	07/06 – 07/25
West Unit	7	07/26 - 08/01
North Unit	15	08/02 – 08/16
East Unit	15	8/17 – 08/31

This grazing rotation is intended to be flexible. Actual move dates are approximate and will depend on soil moisture conditions, forage utilization and/or plant regrowth.
