

Wildfire Readiness 2015

Saturday, June 13

Emergency Preparedness Exercise & Mock Evacuation Drill

Saturday, June 13, 2015

10 a.m.

Sky Legend and Red Hill Areas, Gypsum

Emergency response agencies throughout Eagle County will hold a full-scale emergency exercise to evaluate plans and procedures in response to a scenario revolving around a wildfire in the Red Hill and Sky Legend areas of Gypsum.

The simulation will create the need for evacuations; responders will be going door-to-door in those areas. Citizens can expect to receive test emergency alert messaging during the exercise. Residents in Red Hill and Sky Legend are invited to participate in the evacuation drill.

Wildfire Preparedness & Education Fair

Saturday, June 13, 2015

11:30 a.m. to 4 p.m.

Eagle Valley High School, Gypsum

The event will feature a simulated community meeting regarding wildfire operations and evacuations by emergency responders and informational presentations on:

- Ready, Set, Go!
- Defensible space
- Evacuation plans and kits
- Evacuating and sheltering with pets
- Emergency notification systems

This is a free community event. Refreshments will be provided. All are welcome and encouraged to attend.

Reduce your risk by preparing now – meet with your family to decide what to do and where to go if a wildfire threatens your area. Visit www.readycolorado.com for personal preparedness information.

Presented by the public safety agencies in Eagle County.
