Wildland Fire Suppression Open House

JOHN DAY, OR – An informational open house is scheduled to discuss wildland fire suppression on the Malheur National Forest.

Fire Management staff encourage anyone with interest to join in the event the evening of Thursday, July 9 from 5-7:00 pm at the Supervisor's Office in John Day, OR located at 431 Patterson Bridge Road.

This meeting is an opportunity to answer questions and provide the public with information on long term fire situations, seasonal outlooks, aviation, dispatch, and initial attack. We will also provide you with information on where you can go to find information as fire season kicks up.

Smokey Bear will also be there to share information to youth about how they too can prevent wildfires.
