Mary, following are the snowmobile numbers for the Grave Creek trail. The numbers only go back to 2005. The files were cleaned out a couple years ago and some information is missing. As additional information, the Eureka Ten Lakes Club received their first grooming grant in 1983.

2005.....3,500  
2006.....3,200  
2007.....4,800  
2008.....5,300  
2009.....?  
2010.....3,351  
2011.....5,069  
2012.....1,699

Please find attached a table with those numbers reported in the Bitterroot Ridge Runner's applications. I never put a lot of stock in these numbers because of problems with counter placement and reports.
