**CERTIFIED MAIL – RETURN  
RECEIPT REQUESTED**

Dear Mr. Raddon:

This letter will serve as your Annual Operating Instructions (AOI) for the Sinbad Ridge C&H Allotment for the 2015 grazing season. This AOI is made part of your Term Grazing Permit consistent with Part 1, item 3 and Part 2, item 8(a). A failure to follow these instructions is a violation of your permit. The AOI complies with the standards and guidelines found in the Forest Plan. **Please read your instructions thoroughly.**

**AUTHORIZED USE FOR 2015**

Allotment	Numbers	Kind	Class	Season	Permittee	Non-use	
						Resource protection	Personal convenience
Sinbad Ridge	0	Cattle	Cow/calf	Non-use	Sinbad Ranch Corp.	X	

You have requested non-use for resource protection since 2014, because of the fires and landslides that occurred in the last few years on the allotment. The Forest Service has agreed to a non-use protection agreement for the Sinbad allotment that could be in effect in 2018.

**IMPROVEMENTS**

During this time of non-use you will still be expected to maintain the permits structural improvements, both fences and water developments. A list of the improvement associated with the permit are found in Part 3 of your Term Grazing Permit for the Sinbad allotment.

Sincerely,

for MICHAEL DIEM  
District Ranger
