This advance notice is to afford interested parties time to examine the sale area prior to final advertisement. Interested parties may obtain information and maps about the sale area from the Forest Supervisor Office, Yreka, California; or you may find additional information on the Klamath National Forest website www.fs.usda.gov/klamath. The final advertisement will contain final minimum stumpage rates, bidding provisions, and other sale conditions. This is preliminary information and subject to change in the Final Environmental Impact Statement and Record of Decision for the Westside Fire Recovery Project.
