### Rules for OHV Trails

- No passengers are allowed on all-terrain vehicles (ATV), unless vehicles are designed to carry passengers.
- Off-highway vehicles (OHV) must stay on designated trails marked with **orange diamonds**.
- Trail passes required to use OHV trails.
- Securely attach daily passes to ATV or dirt-bike handlebars. Attach pass to four-wheel-drive where visible from front. Passes are valid until midnight of the date written on pass.
- Display season passes on right rear fenders for ATVs and rear fenders for dirt bikes. Prominently display season passes in four-wheel-drive windshields.
- ATVs and motorcycle operators and passengers

- must wear Department of Transportation approved helmets and eye protection.
- Unlicensed vehicles are not allowed on designated Forest Service roads.
- Children under 8 may not operate ATVs or motor cycles. An operator under 16 must have constant supervision by an adult over the age of 18. Other state rules for age apply.
- Spark arresters, mufflers and brakes are required for motorized vehicles. Working headlights and taillights are required to ride in the dark.
- Alcoholic beverages are prohibited on all trail systems and in recreation areas.
- OHV trails allow dirt-bikes, ATVs, side-by-sides and full size vehicles.

**OHVs yield to Mountain Bikers**  
**yield to Hikers and Runners**  
**yield to Horses.**

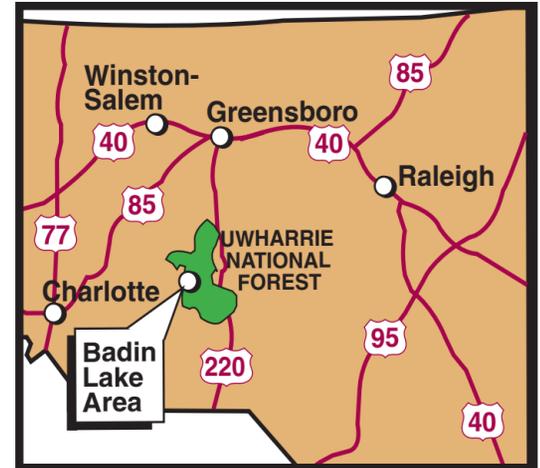

### Canebrake Horse Camp

Offering 40 miles of nearby horse trails, Canebrake Horse Camp is a great getaway for equestrians who like to ride and camp. The camp has 29 sites with parking spurs for trailers.

Each site has a picnic table, grill, fire ring, tack table, lantern and highline posts. Up to two vehicles are allowed at each campsite. Open year-round, Canebrake Horse Camp offers spigots for drinking water, showers, flush toilets and a horse wash station. All sites are electric. A dump station is available for sewer and drinking water for RVs. There are single and double sites available for a fee.

Riders can choose from 24 trails. Trail names, mileages and ratings are listed on the trail map on the back.

**Note:** Alcohol is prohibited. Keep pets on leashes and controlled.

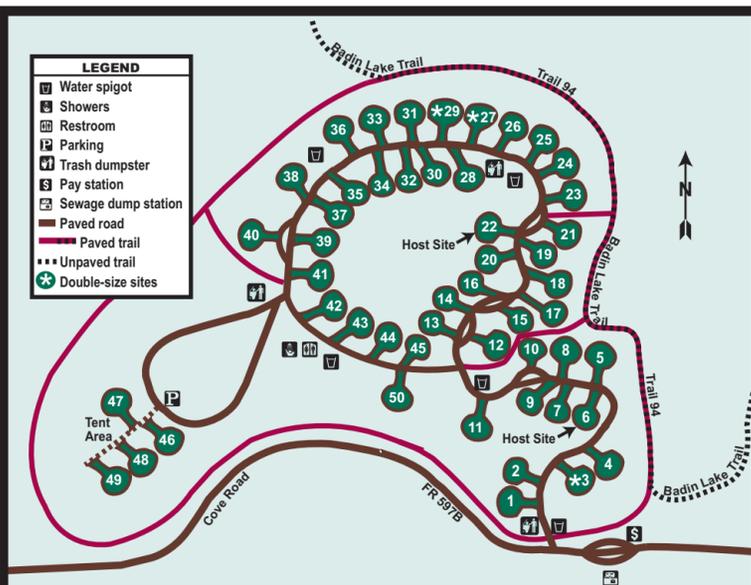

**From Asheboro:** Take NC 49S to NC 109S. Badin Lake Recreation Area is about two miles west of Eldorado.  
**From Troy:** Take NC 109N about 12 miles north of Troy and just north of the Uwharrie River. Follow signs for Badin Lake Recreation Area.

### Arrowhead Campground

Shaded by loblolly pines and oaks, Arrowhead Campground's 50 campsites sit a quarter mile from Badin Lake—a hot spot for water sports. Open year-round, the campground is suited for tent or RV camping. Sites 12 to 45 have electricity. Each site has a picnic table, grill, lantern post and fire ring.

For drinking water, six water spigots are available. A bathhouse with flush toilets and showers is in the campground. There are single and double sites, with and without electricity, available for a fee. A dump station is available for sewer and drinking water for RVs.

For recreation, visitors can walk

the 0.75-mile paved trail that loops around the campground.

Off-highway-vehicle trails are 2.5 miles from Arrowhead, and a boat ramp is just a half-mile away. Badin Lake offers a boater's paradise, from waterskiing to cruising to sailing.

In addition, paved connectors from the campground lead to the 5.6-mile Badin Lake Trail for hiking. The trail follows Badin Lake's shoreline and loops back. The lake offers a wealth of water recreation and fishing opportunities.

**Note:** Alcohol is prohibited. Keep pets on leashes and controlled.

### For Reservations:

To make reservations at Arrowhead, Badin Lake, Badin Lake Group and Canebrake Horse campgrounds and King's Mtn. Point Pavilion, call 877-444-6777; TDD: 877-833-6777 or visit: www.recreation.gov.

Be sure to make reservations up to 240 days in advance or as late as three days before arrival. Alcohol prohibited at the following sites:

#### Cove Boat Ramp

For launching trailered boats, a ramp on Badin Lake is near Arrowhead Campground. Badin Lake Hiking Trail is nearby.

#### Holt's Picnic Area

Visitors can eat lunch and fish at Holt's Picnic Area on Badin Lake. A vault toilet is available.

#### Badin Lake Group Camp

Offering tent and RV camping, this camp has three sites with fire rings, tables, tent pads, showers and toilets. A \$40-per-night fee is charged. **Available through reservation only.**

#### King's Mountain Point

The King's Mtn. Point Day-Use Area offers four accessible fishing piers, 34 picnic sites, parking and a paved trail. Access to the Badin Lake Trail. Picnic pavilion can be reserved for events. Area open daily from 6 am to 10 pm.

#### Uwharrie Hunt Camp

Uwharrie Hunt Camp offers eight tent-camping sites for a fee with water and vault toilets. Each site includes a table, grill and fire ring.

#### Flintlock Valley Shooting Range

The outdoor range offers seven-rifle benches and four-pistol benches. Passes are required. Visit www.fs.usda.gov/nfnc for hours of operation.

### Tread lightly

- Stay on designated trails. Mountain bikers can ride on off-highway vehicle (OHV) trails, but they must have an OHV-trail pass.
- Resist the urge to create new routes and short cuts. Shortcutting switchbacks is prohibited.
- Some trails are very eroded and are closed. Help restore these trails by not riding on them. Avoid wet trails

and wheel spins.

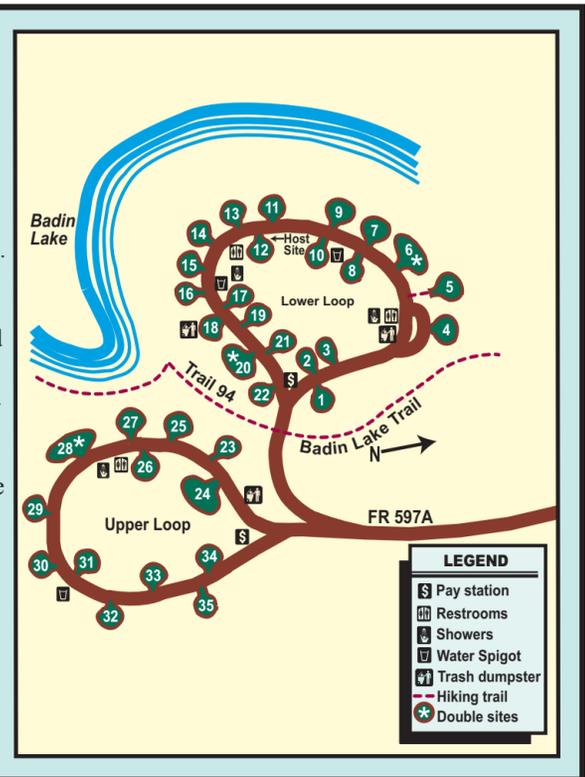

- Be sure spark arresters work and make sure all campfires are dead out. Remember, you are responsible for any fire you start.
- Keep noise levels down. Please respect others who visit the forest to get away from noise.
- Do not harass wildlife. Keep pets leashed and under control.
- Carry a litter bag and pack out all trash. Learn and use no-trace camping techniques.
- Avoid temporarily tying stock to trees. Use a high line with tree-saver straps to tether animals.

### Badin Lake Campground

Open year-round, Badin Lake Campground offers 35 sites for tent or RV camping. Each site has a picnic table, grill, fire ring and lantern posts. Drinking water spigots, flush toilets and showers are available. The campground is suited for tent or RV camping, but no electric hook-ups are available. There are single and double sites available for a fee.

Launch your canoe from the lakeshore or drive two miles to Cove Boat Ramp to launch a boat from a trailer. The 5.6-mile Badin Lake Trail is easy to access.

**Note:** Alcohol is prohibited. Keep pets on leashes and controlled.

### Primitive Camping Rules

- Primitive camping is allowed, except in designated wildlife fields, trailhead parking lots or where signs specifically state "No Camping."
- Stay no more than 14 consecutive days on forest.
- Camp at least 200 feet from streams and trails.
- Camping is not permitted at day-use areas.
- Showers are available at campgrounds for \$3.
- Keep pets on a leash and under control.
- Alcohol allowed at primitive campsites.
- Pack out trash.
- Make sure campfires are dead out.
- Open carry and concealed carry with permit are allowed when camping.
