

Due to Very High Fire Danger all Federal, State and Private Lands in the Kalispell Area are under:

Stage I Fire Restrictions

Under Stage I the following acts are prohibited until further notice:

1. Building, maintaining, attending, or using a fire or campfire except within a developed recreation site or improved site. See the lists below. Fires solely fueled by liquid petroleum or LPG Fuels are authorized in areas that are barren or cleared of all overhead and surrounding flammable materials within three (3) feet of the device.

2. Smoking, except within an enclosed vehicle or building, a developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable materials.

For More Information contact your local district office

For More Information about fire restrictions go to www.firerestrictions.us

No fireworks are allowed on National Forest lands, National Park land, State lands, and other private classified forested lands.
