Dear Prospective Bidder:

An error was discovered KT-GT.9# Stewardship Projects Attachment A.

Specific language including the thinning of western juniper up to 16 inches DBH and the minimum height for non-commercial treatment was inadvertently left out of the contract. This error should not affect proposals; therefore, no extension of time will be given. The contract has been updated to reflect this clarification. Please visit the Ochoco National Forest web page for contract information and bid documents, <http://www.fs.usda.gov/goto/centraloregon/timbersales>.

Sincerely,

AMY LOWE
Contracting Officer
