Forest Order # 2015-0604-MAL-02B

Assessment of Need and Enforcement Plan

1. Background:

These restrictions have been deemed necessary because of increasingly dry fire conditions on the forest.

2. Intent of Subpart B Order:

These restrictions are intended to reduce the occurrence of human caused wildfires.

3. Enforcement Plan:

This order will be enforceable by LEOs, FPOs and Special agents. Education will be emphasized during the initial implementation phase of this order. Officers will exercise normal discretion in resolving violations. Officers will normally not issue citations unless the affected areas are adequately posted. Evening patrols will be emphasized, especially on weekends.

5. Posting:

The forest and district staff is responsible for posting this order in a reasonable manner.
