

## Trail Guidelines

Stay to the right and travel in single file.  
Downhill persons have the right-of-way.  
Stop where you are visible to others.  
Avoid obstructing a trail.  
Fill in sitzmarks (holes created after falling).  
Pack it in, Pack it out.  
Avoid loud and/or abusive language or actions. This is a family-use area.  
Consider making a donation using the tube at the area entrance. The money is used by the Wyoming Department of Transportation to maintain the entrance road.

## Safety Tips

- ❖ Dress to keep dry and warm.
- ❖ Wear sunglasses and sunscreen.
- ❖ Carry a first aid kit and know how to use items in it.
- ❖ Be prepared for quick changes in weather.
- ❖ Eat nutritious snacks and drink plenty of water.

## Willow Park Trails

Willow Park offers approximately 13 miles of groomed trails that average from 8,300' to 9,000' in elevation. The area provides prime opportunities for cross-country skiers and snowshoers to explore throughout the winter. Beginners and experts alike enjoy the loops, hills, ridges, treed areas and scenery.

The area was created and maintained by the Willow Park Ski Touring Club, which was formed in 1962 in Worland, WY. Volunteers maintained ski trails and held special events. Members also assisted with Special Olympic Nordic races, ski lessons and distributed Nordic skiing movies. Over time the club dissolved and the area received minimal maintenance.

In 2005 the Powder Pass Nordic Skiers and 'Shoers (PPNS&S) was organized. Their volunteers now maintain the Willow Park Trails. For more information contact:
