

# BAT WEEK

## Join the Ottawa National Forest for a presentation on bats and the building of bat houses.

 Presentation by Brian Bogaczyk, Ottawa National Forest wildlife biologist, starting at 11:00 a. m. (CDT)

**When:** Saturday October 31<sup>st</sup>, 2015

 All activities are **free**

**Where:** Ottawa National Forest Visitor Center  
Hwy 45 & US2, Watersmeet, MI

**Time:** 11:00 a. m. – 2:00 p. m. (CDT)

 Cookies and apple cider provided by  
Ottawa Interpretive Association

 Following the presentation, help the Ottawa National Forest build bat houses to be placed around the Forest at a later date

 Activities for kids following the presentation

- Help in the effort to set a Record for the Most Bat Houses Built in a Day
- **GOAL:** With help from across the country build **5,000 bat houses**
