Trail Closure due to the Cedar Peak Fire

KALISPELL, MONTANA – October 1, 2015 – For public safety, the Cedar Lakes Trail #738 from the Fatty Creek Trailhead to the junction with the Piper Trail #119, located in the Mission Mountains Wilderness, is closed due to fire activity from the Cedar Peak Fire.

The Cedar Peak Fire, on the Swan Lake Ranger District was detected on September 24 in the northern end of the Mission Mountains Wilderness, east of Cedar Lake and about five miles west of State Highway 83. The fire is currently estimated at 130 acres in size, burning in remote, rocky and steep terrain.

For more information about the Cedar Peak Fire and the trail closure, contact the Swan Lake Ranger District, 406/837-7500. Information about the fire can also be found at <http://inciweb.nwcg.gov/incident/4617/>.
