Dear Prospective Purchasers of National Forest Timber:

The attached Timber Sale Program Announcement represents the various tracts of timber planned to be offered for sale on the Chequamegon-Nicolet National Forest by the Forest Service for the period beginning April 1, 2016 and ending March 31, 2017. This Announcement reflects the Forest's preferred offering schedule to meet an annual sale program of 85 MMBF or 109,000 cords of timber volume representing a mix of species and products that will be available across the Forest.

For the purposes of converting hundred cubic feet (ccf) in this report to cords, use the following:
Pulpwood ccf divided by .79 = Pulpwood cords

In addition, through the Good Neighbor Authority Agreement signed between the Chequamegon-Nicolet National Forest and the State of Wisconsin, the Wisconsin Department of Natural Resources, Division of Forestry plans to offer approximately 25 MMBF or 32,000 cords of National Forest timber volume in up to 45 individual timber sale contracts. These sales will occur in Oconto, Forest, Vilas, Bayfield, Sawyer, Price, and Ashland counties. Additional information regarding these Wisconsin DNR offerings of National Forest Timber can be obtained by contacting: Jeffrey Olsen, Natural Resources Team Supervisor; 4125 Forest Headquarters Road, Boulder Junction, WI 54512; Telephone 715-385-2727 ext 110

All sales planned to be offered have approved environmental documents and the decision to offer the sales has been made.

At present, we have not established any small business set-aside sales. Should further analysis determine the need for a set-aside program, you will be notified.

We continue to no longer ask that you select the individual sales of interest to you. We have generated "East Side", "West Side" and "All Sales" mailing lists. These lists are used to distribute prospective bidder letters at the time of individual sale advertisements. If you wish to verify that you are on your desired mailing list, please contact Tina Baumann at 715-362-1327.

More detailed information concerning each tract can be obtained at the time of advertisement from this office or from the districts involved. The district information is as follows:
