Maped by:
 M. Dana Weil and T. Retenour
 Boise National Forest
 July 2004

This map shows some historic trails, which are located on private land. In showing these trails, the Forest Service is in no way indicating that a legal right of public access across private land exists. Trail users should secure permission to cross private lands and comply with all posted restrictions. Please respect private landowner property rights.

Route designated in blue-green will be converted from OHM Only to OHMATV within two to three years. Observe signed designations during conversion period.

Motorized Use Restricted
